

WOOD BADGE GOOD TURN TICKET

Pathway to the Rockies Council
Boy Scouts of America

This is my commitment whereby I promise to plan, develop and complete this Wood Badge Good Turn Ticket. My project is listed below. This Good Turn project has been selected by me with the objective that it will benefit Scouting and will help bring a better program to the youth of our Council. I will use the knowledge, experience and training I have gained in Scouting and, especially, in Wood Badge to accomplish this annual Wood Badge Good Turn Ticket.

I fully understand that this Good Turn Ticket is not a requirement to maintain Wood Badge status. It is a promise of continuing Wood Badge service, a service I undertake above and beyond the duties and responsibilities of my registered Scouting position. I promise to do the following:

I will accomplish my project by this date _____ or during
