

Pathway to the Rockies Council WOOD BADGE SCHOLARSHIP APPLICATION

Pathway to the Rockies Council and the Wood Badge Scouters of the Council strongly believe no eligible Scouter should have to forego attending Wood Badge training because of lack of funds. A Wood Badge Scholarship Fund has been established to provide financial assistance to those who would not otherwise be able to attend this training. The only obligation on the part of those receiving scholarships is to complete the course they attend and to do their best to apply what they learn to help the youth of our community. We encourage you to also look at other outside funding assistance from your unit, your church, your work, the VFW, or American Legion. If your financial situation improves, we encourage you to donate to the scholarship fund to provide others the opportunity to attend Wood Badge.

Scholarship Policy/Procedures:

1. Scholarships are available only for Pathway to the Rockies Council Wood Badge Courses.
2. Only Registered Scouters who are considered fully trained for your current position are eligible.
3. Full scholarships are not available. An applicant must pay at least the course deposit. The amount awarded to an individual will vary based on the amount of funding available and number of requests.
